

VP 20S & DFM 25S – Assignment 4 Marking Scheme

Requirements

Writing

1. Conversation – The script follows a conversation between two people that is absurd and only somewhat makes sense.

/5

Shots

2. Shots – All shots with the camera are in focus.

/4

Editing

3. Edits – Cuts are clean and shots are not too long or too short (cut off).

/5

4. Titles/Credits/Soundtrack – Video includes titles at the beginning, credits at the end, as well as a soundtrack (if it helps the piece).

/6

5. Audio – an external audio device was used to capture sound for the video. There is little to no background noise and the dialogue is clear. Audio lines up with the video clips.

/5

6. Color Correction – Clips were color corrected to help enhance the look of the video. Corrections made helped the clips instead of hurting them.

/5

Spatial/Temporal Connections

7. Video shows a strong understanding of the 180 degree rule by showcasing it, then breaking it. There are many spatial and temporal continuity errors.
